The City of Auburn strives to conduct its recreation programs and activities in a safe manner and holds the safety of participants in the highest regard. Participants and parents registering their child in recreation programs must recognize however that there is an inherent risk of injury when choosing to participate in any recreation activities. The City of Auburn continually strives to reduce such risks and insists that all participants follow safety rules and instructions which have been designed to protect the participant's safety.

Please recognize that the City of Auburn does not carry medical accident insurance for injuries sustained in its programs. The cost of such would make program fees prohibitive. Therefore, each person registering themselves or a family member/ward for a recreation program/activity should review their own insurance policy for coverage.

Due to the difficulty and high cost of obtaining liability insurance, the City of Auburn requires the execution of the following liability Waiver and Release. Your cooperation is greatly appreciated.

WAIVER AND RELEASE OF ALL CLAIMS: Please read this form carefully and be aware that in registering yourself and your ward for participation in this/these program(s) you will be waiving and releasing all claims for injuries, damages, or loss you or your ward might sustain through participation in the: 2012 ASA Summer Camps.

As a participant or the parent/guardian of a participant in this program, I recognize and acknowledge that there are certain risks of physical injury, and I agree to assume the full risk of any injuries, damages or loss which I or my ward may sustain as a result of participating in any and all activities connected with, or in any way associated with the activities of the program.

I do hereby fully waive, release and discharge the City of Auburn, it's officers, agents, servants, representatives, employees and program board members from any and all claims for injuries, damages or loss which I or my ward may sustain or which may accrue to me or my ward arising out of, connected with, or in any way associated with the activities of the program.

I further agree to indemnify, hold harmless, and defend the City of Auburn, its officials, agents, servants, representative, employees and program board members from any and all claims for injuries, damages or loss sustained by me or my ward arising out of, connected with, or in any way associated with the activities of the program.

In the event of any emergency, I authorize program officials to secure from any licensed hospital, physician and/or medical personnel any treatment deemed necessary for my or my ward's immediate care and agree that I will be responsible for payment of any and all medical services rendered.
