ZUMBA GOLD - THE FUN WORKOUT FOR ANYONE ANY AGE ANY ABILITY

Zumba Gold was designed for the older active adult, a person who hasn't been exercising in a long time or individuals who may be limited physically. The biggest difference between Zumba Gold and Zumba basic is that Zumba Gold is done at a much lower intensity. It's just as much fun, just not as fast! Zumba Gold utilizes the same great Latin styles of music and dance that are used in the Zumba basic program, including the Salsa, Cha-Cha, Rock 'n Roll and Merengue. The Zumba Gold program strives to improve balance, strength, flexibility and most importantly, the heart. When you take the Zumba Gold class, be sure to wear comfortable workout clothing, take water and a towel, along with a "ready to party" attitude! **FREE to the public.**

ZUMBA GOLD FOR WHEELCHAIR/ WALKER USERS

Zumba movements are designed to mimic many typical Latin dance styles like salsa, rumba, and cumbia. Although traditionally many of these dances require use of your entire body, they can easily be adapted for people with mobility challenges. Many movements can be done with the upper body from a seated position in a wheelchair. Because so many different styles of music are usually incorporated into typical Zumba classes, participants join into the motions they feel most comfortable with. This class is a great way to strengthen the upper body as well as the lower extremities such as ankles and feet (if able). The class can be taken from your own wheelchair or from a regular chair. **FREE to the public. Wheelchair participants will be given first priority. Chairs provided.**

YIN YOGA FOR HEALTH AND HAPPINESS

Yin Yoga is a little different than the "typical" yoga class. It is a more passive yoga class where we learn to relax our muscles in order to improve the health of our joints, ligaments, fascia, and all other connective tissues that normally are not exercised in traditional exercise. Please let the instructor know of any injuries or concerns as she may need to modify a pose to meet your specific needs. Yin Yoga is recommended highly if you are over the age of 35 as it helps to keep the connective tissues, joint, and other aspects of the body in proper alignment and good health as we age. Yin also teaches breathing techniques that help improve mood, sleep, and mobility. This is an all levels class from beginners to advanced. Please bring your own yoga mat and towel. **\$5/class. 50+ CHINESE PAINTING ONGOING WORKSHOP

Chinese painting attempts to capture the essence of an object, person, animal, or landscape. It is the art of using suggestion and simplicity to imply reality. In freestyle Chinese brush painting, we aim to depict as much as possible in the fewest possible strokes in order to maintain spontaneity and life. The sense of harmony that pervades Chinese culture is expressed in the traditional subjects of flowers, animals, and landscapes. Students will learn brush stroke, composition and spontaneous-style painting techniques by using bamboo brush, ink, rice paper and Chinese watercolor paints. **\$200 (includes supplies). A "sweet, uplifting homage to bookstores" (*Booklist*), this engaging and funny book will inspire discussion among those who love books and bookstores.

BUNCO TOURNAMENT

Bunco was originally a confidence game similar to three card monte. It originated from 19th-century England where it was known as "eight dice cloth". It was imported to San Francisco as a gambling activity in 1855, where it gave its name to gambling parlors, or "Bunco parlors." There are six rounds where the number of the round serves as the target for that round's rolls. Within a round, players alternate turns rolling three dice, aiming to obtain the target number. Players gain one point for each die matching the target. If the player gets three-of-a-kind of the target number (a Bunco), they get 21 points. The round stops when a player at a head table obtains 21 points. Whoever wins the most rounds is the overall winner. Snacks and refreshments will be provided and a prize will be awarded to the tournament winner. **FREE to the public. Please register by Tuesday, January 19th by 5 p.m.**

After escaping wrongful imprisonment, a mysterious storyteller enters an abandoned railroad spur on the outskirts of New York City, Christmas Eve, 1893. EAST ALABAMA BIRTH VILLAGE GATHERINGS (SUPPORT GROUP)

The East Alabama Birth Village is a community support group open to all families. We strive to re-create the village support network that existed in ancient cultures when women gave birth. We connect mothers-to-be, new moms and their families with local birth professionals, birth supporters and family resources. The EABV helps you connect to fertility assistance and support pre-conception. In pregnancy and birth there is an extensive list of community resources for every aspect of the childbearing year, both traditional and alternative. As parents, EABV can assist you in navigating these resources. If you are struggling with miscarriage, stillbirth or infant loss, you especially need to know what support is available to you. Village Gatherings offer educational speakers to help empower ourselves as parenting citizens, bringing evidence-based knowledge to our cultural knowledge of birth. We invite mothers of all ages to share their birth stories in efforts to grow, heal and celebrate together through loving compassion. Visit us on the web at www.birthvillage.org. Children and babies welcome.
