## ZUMBA GOLD - THE FUN WORKOUT FOR ANYONE ANY AGE ANY ABILITY

Zumba Gold was designed for the older active adult, a person who hasn't been exercising in a long time or individuals who may be limited physically. The biggest difference between Zumba Gold and Zumba basic is that Zumba Gold is done at a much lower intensity. It's just as much fun, just not as fast! Zumba Gold utilizes the same great Latin styles of music and dance that are used in the Zumba basic program, including the Salsa, Cha-Cha, Rock 'n Roll and Merengue. The Zumba Gold program strives to improve balance, strength, flexibility and most importantly, the heart. When you take the Zumba Gold class, be sure to wear comfortable workout clothing, take water and a towel, along with a "ready to party" attitude! **FREE to the public.**

50+	W	6/7 – 7/26	8:30 – 9:30 a.m.	HC

## SEATED ZUMBA GOLD

Zumba movements are designed to mimic many typical Latin dance styles like salsa, rumba, and cumbia. Although traditionally many of these dances require use of your entire body, they can easily be adapted for people with mobility challenges. Many movements can be done with the upper body from a seated position in a wheelchair. Because so many different styles of music are usually incorporated into typical Zumba classes, participants join into the motions they feel most comfortable with. This class is a great way to strengthen the upper body as well as the lower extremities such as ankles and feet (if able). The class can be taken from your own wheelchair or from a regular chair. **FREE to the public. Chairs provided.**

## YIN YOGA FOR HEALTH AND HAPPINESS

Yin Yoga is a little different than the "typical" yoga class. It is a more passive yoga class where we learn to relax our muscles in order to improve the health of our joints, ligaments, fascia, and all other connective tissues that normally are not exercised in traditional exercise. Please let the instructor know of any injuries or concerns as she may need to modify a pose to meet your specific needs. Yin Yoga is recommended highly if you are over the age of 35 as it helps to keep the connective tissues, joint, and other aspects of the body in proper alignment and good health as we age. Yin also teaches breathing techniques that help improve mood, sleep, and mobility. This is an all levels class from beginners to advanced students. Please bring your own yoga mat and towel. **\$5/class. Payable to INST.**

# 2017 AUBURN CITY POOLS SWIM LESSONS

Auburn Parks and Recreation offers swim lessons for all ages! Lessons are taught in 2-week intervals from Mondays – Thursdays in May and June. The cost for swim lessons is \$40.

Six levels of instruction will be offered this season: Sea Babies (6 months – 3 years), Guppies (4 – 6 years), Sea Turtles (7 – 10 years), Dolphins (11 – 14 years), Sharks (15 – 18 years) and Big Fish/Adult (age 19+).

Class descriptions are as follows:

**Sea Babies (6 months – 3 years):** This course is designed for parents interested in acquainting their young children to the water in a fun and controlled environment. Participants will be oriented to the water through games, songs and introductory skills. Parents are directly responsible for their child’s instruction while under the guidance and supervision of a swim instructor. **One class will be dedicated to informing parents of the efficient ways to help the kids continue to progress.** No prerequisite required. To advance to the next level, the child must be age 4 or older AND able to participate without parent involvement.

**Guppies (4 – 6 years):** Participants in this class will learn the following skills: submerging head underwater, kicking with and without instructor assistance, floating on stomach and back, kicking to instructor from wall, breathing while swimming, freestyle arm motion, pushing off stairs to instructor and streamline.

**Sea Turtles (7 – 10 years):** Participants in this class will learn the following skills: review freestyle arm motion and kicking to instructor from stairs, basic freestyle stroke (swimming to instructor from wall/stairs), freestyle breathing, kicking on back, basic backstroke, swimming across stairwell without stopping, breathing while continuing strokes, jumping into the pool unassisted and swimming to side and treading water.

**Dolphins (11 – 14 years):** Participants in this class will learn the following skills: streamline kicking off the wall on stomach and back, diving in from the side of the pool, review backstroke, working toward swimming a full lap of freestyle without stopping, freestyle and backstroke drills for body position and technique and (depending on class) other strokes and drills. This class is designed also to prepare students for participation on the swim team.

**Sharks (15 – 18 years):** Participants in this class will learn the following skills: streamline kicking off the wall on stomach and back, diving in from the side of the pool, review backstroke, working toward swimming a full lap of freestyle without stopping, freestyle and backstroke drills for body position and technique and (depending on class) other strokes and drills. This class is designed also to prepare students for participation on the swim team.

**Big Fish/Adult (19+):** It is never too late to learn how to swim! If you have always wanted to learn how to swim, but never had the time or opportunity, now is your chance! Lessons are available to fit the schedules of working adults. This class will review all skills from other levels and be tailored to the needs of the class participants.

# TENNIS

## BALL COLOR CHART

Tennis is now easier for younger kids to play with the addition of different colored balls. These variations of tennis balls have a lower compression than the regular yellow balls. The different colored balls bounce lower for children's height and are more forgiving on player errors in technique. The age groups for USTA (United States Tennis Association) tennis are in the following ball color categories:

- Red Balls:** 8 and Under
- Orange Balls:** 9 - 10
- Green Balls:** 11 - 12
- Yellow Balls:** 13+
- Orange or Green Balls may be used in 13+ age groups in City of Auburn Tennis clinics according to skill level and drill being practiced.
- USTA rules and regulations for youth tennis are subject to change according to USTA policies and standards.

## GOLF LESSONS

Indian Pines Golf Course, located at 900 Country Club Drive, is an 18-hole public golf course located in Auburn and adjacent Opelika. In 2005, the course was cited by *Golf Digest* in their rating of Auburn as the "best golf city in America". It is a par 70 course with summer bermuda grass and a bentgrass/ryegrass mix in the winter. Indian Pines was originally constructed in 1946 as the Saugahatchee County Club, a nine-hole course, with the first tournament being held on July 4, 1947. The back nine holes, designed by Eddie Loos, were built in 1951. In 1976, the course was sold to the cities of Auburn and Opelika, which have operated it as a municipal course since. The course was redesigned in 1999. After fire destroyed the old clubhouse, a new clubhouse was constructed in 2006. Indian Pines hosts the Indian Pines Invitational, an amateur tournament drawing 200 participants and sponsored by Miller Lite. Indian Pines is the home course of the Auburn High School Tigers golf team. Golf lessons are taught by two professionals on site: Fred Holton, PGA General Manager/Professional and Jerry Bavaro, PGA Head Golf Professional. Golf lesson rates for Adults are \$75/hr. or \$45/half hour and rates for junior golf lessons are \$65/hr. or \$35/half hour. To register for golf lessons or questions, please contact (334) 821-0880. The Auburn Parks and Recreation Therapeutics Program offers recreational activities, programs/ leagues, social activities and field trips for citizens who have intellectual and physical disabilities. We provide an opportunity for children and adults to build friendships in a fun and encouraging environment. The programs are designed to strengthen and “show off” the participants’ abilities, rather than their disabilities. All programs are free, unless otherwise noted. The Therapeutics Program also supports and works with the Lee County and State of Alabama Special Olympics programs. If you are interested in finding out more information regarding our Therapeutics Program, please contact Alison Hall at (334) 501-2930. ## 2017 SUMMER THERAPEUTIC DAY CAMP APPLICATIONS AVAILABLE BEGINNING MARCH 27

This is a seven week summer day camp designed for young adults with various disabilities (e.g., autism, cerebral palsy, Down syndrome, developmental delays, hearing impairments, vision impairments). The Summer Camp is a joint project created and sponsored by Auburn Parks and Recreation and the Exceptional Outreach Organization. The Therapeutic Summer Camp’s curriculum program includes life skills training such as handling money, team work, social skills, Zumba, swimming, and other physical recreation activities (e.g., basketball, bowling, volleyball). The campers also participate in cultural experiences, such as going to the Blue Bell Ice Cream plant in Sylacauga, AL to see how the ice cream is made and of course taste it, and we have fun at the Wild Animal Safari, Pine Mountain, GA learning about all kinds of different animals. One of their favorite community experience field trips was taking a river boat cruise on the Harriett II, where they thoroughly enjoyed relaxing on the boat and learning about river life. Last year’s camp was a huge success and this year’s camp will be even better! Registration packets will be available March 27 at the Harris Center. All packets and registration fees must be turned in by 5 p.m. on Friday, May 5. Campers will be evaluated on an individual basis. **\$150, each additional sibling \$95. Payable to COA.**
