ALABAMA 200

The City of Auburn is working with Lee County’s bicentennial committee in support of celebrating Alabama’s 200th birthday in 2019. Over the next three years, we will celebrate two centuries of Alabama history across Lee County and the State of Alabama. The bicentennial theme and spirit will be a part of upcoming City of Auburn events, and will be celebrated through special, dedicated events organized by the Lee County committee.

The mission of ALABAMA 200 is to support, create, and execute events and activities between 2017 and 2019 that commemorate the people and places of Alabama, as well as its path to statehood. ALABAMA 200 is creating a three-year celebration for every facet of our beginning to our current life. ALABAMA 200 is about more than commemorating 200 years of a government. The state of Alabama exists as a place of unparalleled natural beauty, and it is the home of a diverse and distinct people who share a history with unique perspectives and values.

We began in 2017 by “Discovering Our Places,” which coincides with Alabama’s territorial bicentennial. 2018 is the year for “Honoring Our People.” We will share the experiences and stories of all Alabamians.

“Sharing Our Stories” will be the theme of 2019 which will mark the conclusion of ALABAMA 200. We invite you to celebrate what makes our state distinct and honor the days to come with history as our guide. For more information about ALABAMA 200, please visit www.alabama200.org and continue to follow the City of Auburn website and social media for future ALABAMA 200 related events.

ZUMBA GOLD - THE FUN WORKOUT FOR ANYONE ANY AGE ANY ABILITY
Zumba Gold was designed for the older active adult, a person who hasn’t been exercising in a long time or individuals who may be limited physically. The biggest difference between Zumba Gold and Zumba basic is that Zumba Gold is done at a much lower intensity. It’s just as much fun, just not as fast! Zumba Gold utilizes the same great Latin styles of music and dance that are used in the Zumba basic program, including the Salsa, Cha-Cha, Rock ‘n Roll and Merengue. The Zumba Gold program strives to improve balance, strength, flexibility and most importantly, the heart. When you take the Zumba Gold class, be sure to wear comfortable workout clothing, take water and a towel, along with a “ready to party” attitude! FREE to the public.

SEATED ZUMBA GOLD
Zumba movements are designed to mimic many typical Latin dance styles like salsa, rumba, and cumbia. Although traditionally many of these dances require use of your entire body, they can easily be adapted for people with mobility challenges. Many movements can be done with the upper body from a seated position in a wheelchair. Because so many different styles of music are usually incorporated into typical Zumba classes, participants jump into the motions they feel most comfortable with. This class is a great way to strengthen the upper body as well as the lower extremities such as ankles and feet (if able). The class can be taken from your own wheelchair or from a regular chair. Chairs will be provided. FREE to the public.

YIN YOGA FOR HEALTH AND HAPPINESS
Yin Yoga is a little different than the “typical” yoga class. It is a more passive yoga class where we learn to relax our muscles in order to improve the health of our joints, ligaments, fascia, and all other connective tissues that normally are not exercised in traditional exercise. Please let the instructor know of any injuries or concerns as she may need to modify a pose to meet your specific needs. Yin Yoga is recommended highly if you are over the age of 55 as it helps to keep the connective tissues, joint, and other aspects of the body in proper alignment and good health as we age. Yin also teaches breathing techniques that help improve mood, sleep, and mobility. This is an all levels class from beginners to advanced. There will be a limited supply of yoga block, blankets and straps so students are encouraged to bring their own. Please bring your own yoga mat. $5/class. Payable to INST first day of class.

JANUARY 26TH: LUNCHBOX MUSEUM AND RIVERMARKET ANTIQUE MALL, COLUMBUS, GA

Rivermark Antiques Mall is home to the largest lunchbox museum in the world, which has been featured in many newspaper articles and on national television. You remember it well, that rectangular metallic friend, bearing the image of your favorite teen idol, sports star or cartoon character. It swung daily at your side, filled with tuna sandwiches, tomato soup and brownie banana from home. Allen Woodall owns the museum and began collecting lunch boxes in 1989. He now has more than 1,000 lunch boxes and related items, including thermoses, cookers and even tobacco tins that doubled as lunch boxes. After lunch, we will visit the museum as well as take some time to peruse the antique mall. The cost of the trip includes transportation and admission. Please bring extra money for lunch and shopping. $10. Payable to AAB.

BALL COLOR CHART

Tennis is now easier for younger kids to play with the addition of different colored balls. These variations of tennis balls have a lower compression than the regular yellow balls. The different colored balls bounce lower for children’s height and are more forgiving on player errors in technique. The age groups for USTA (United States Tennis Association) tennis are in the following ball color categories:

- **Red Balls:** 8 and Under
- **Orange Balls:** 9 - 10
- **Green Balls:** 11 - 12
- **Yellow Balls:** 13+
  - Orange or Green Balls may be used in 13+ age groups in City of Auburn Tennis clinics according to skill level and drill being practiced.
  - USTA rules and regulations for youth tennis are subject to change according to USTA policies and standards.

GOLF

Indian Pines Golf Course, located at 900 Country Club Drive, is an 18-hole public golf course located in Auburn and adjacent Opelika. In 2005, the course was cited by Golf Digest in their rating of Auburn as the “best golf city in America.” It is a par 70 course with summer bermuda grass and a bentgrass/ryegrass mix in the winter. Indian Pines was originally constructed in 1946 as the Saugahatchee Country Club, a nine-hole course, with the first tournament being held on July 4, 1947. The back nine holes, designed by Eddie Loos, were built in 1951. In 1976, the course was sold to the cities of Auburn and Opelika, which have operated it as a municipal course since. The course was redesigned in 1999. After fire destroyed the old clubhouse, a new clubhouse was constructed in 2006. Indian Pines hosts the Indian Pines Invitational, an amateur tournament drawing 200 participants and sponsored by Miller Lite. Indian Pines is the home course of the Auburn High School Tigers golf team.
