Seated Zumba Gold on Zoom

Zumba movements are designed to mimic many typical Latin dance styles like salsa, rumba, and cumbia. Although traditionally many of these dances require use of your entire body, they can easily be adapted for people with mobility challenges. Many movements can be done with the upper body from a seated position in a wheelchair. Because so many different styles of music are usually incorporated into typical Zumba classes, participants join into the motions they feel most comfortable with. This class is a great way to strengthen the upper body as well as the lower extremities such as ankles and feet (if able). Participate from your own wheelchair or from a regular chair. This class will take place on Zoom every Thursday at 10 a.m. You must have video capability to view the class. **FREE to the public.**

Golf

Indian Pines Golf Course, located at 900 Country Club Drive, is an 18-hole public golf course located in Auburn and adjacent Opelika. In 2005, the course was cited by *Golf Digest* in their rating of Auburn as the "best golf city in America". It is a par 70 course with summer bermuda grass and a bentgrass/ryegrass mix in the winter. Indian Pines was originally constructed in 1946 as the Saughatchee County Club, a nine-hole course, with the first tournament being held on July 4, 1947. The back nine holes, designed by Eddie Loos, were built in 1951. In 1976, the course was sold to the cities of Auburn and Opelika, which have operated it as a municipal course since. The course was redesigned in 1999. After fire destroyed the old clubhouse, a new clubhouse was constructed in 2006. Indian Pines hosts the Indian Pines Invitational, an amateur tournament drawing 200 participants and sponsored by Miller Lite. Indian Pines is the home course of the Auburn High School Tigers golf team.

Pickleball

This recreation craze has an estimated 3 million players nationally and has become the fastest growing sport in the US according to the USA Pickleball Association. It borrows from tennis, ping pong and badminton. It is easy to learn and with less ground to cover on a smaller court and is not hard on the joints. Pickleball is a great alternative to tennis as adults get older or for anyone nursing

overuse injuries from other sports. In addition to simply being fun, the moderate exercise and social nature of the game keep participants coming back week after week. The games in Auburn are played on the six Samford Avenue tennis courts (lined for pickle ball). There are also two courts at the Frank Brown Recreation Center. E-mail oapbnw@gmail.com ***COVID-19 note:** Physical distancing of 6 feet is to be maintained when not participating directly in pickleball. Special Olympics

Auburn Parks and Recreation supports Special Olympics by sponsoring teams for many of the Special Olympic events. Currently, we support athletes for aquatics, basketball, bowling, flag football, golf, powerlifting, softball, tennis, track and field, and volleyball. Practices take place throughout the year with the help of local Special Olympics volunteer coaches. You must be at least 8 years of age and meet the requirements of the Alabama Special Olympic Guidelines in order to participate. ***COVID-19 note:** We are waiting on direction from Special Olympics National for all fall sports. Please stay tuned; as soon as we have more information we will distribute it to everyone.

****Registration is required and includes completing health forms and release forms. To register, email Elizabeth Kaufman. ****
