Zumba Gold was designed for the older, active adult, a person who hasn't been exercising in a long time or individuals who may be limited physically. The biggest difference between Zumba Gold and Zumba basic is that Zumba Gold is done at a much lower intensity. It's just as much fun, just not as fast! Zumba Gold utilizes the same great Latin styles of music and dance that are used in the Zumba basic program, including the Salsa, Cha-Cha, Rock 'n Roll and Merengue. The Zumba Gold program strives to improve balance, strength, flexibility and most importantly, the heart. When you take the Zumba Gold class, be sure to wear comfortable workout clothing, take water and a towel, along with a "ready to party" attitude! **\*COVID-19 note:** Class will take place in the gymnasium with participants spaced 6 feet apart. Due to COVID-19 restrictions, this class is limited to no more than 10 participants. Those with underlying health conditions are discouraged from attending. **FREE to the public.**

#### **Dulcimer Lessons**

The lap dulcimer is a stringed folk instrument that evolved in the Appalachian Mountains in the 1800s. Dulcimers are the easiest stringed instrument for beginners to play, ideal for children, seniors and non-musicians who want to play tunes or accompany singing. Dulcimers are a relatively quiet instrument. Their sweet, quiet sound is well-suited to personal relaxation or playing in a cozy environment. The

instructor is an Assistant Clinical Professor in the Music Education Department at Auburn University. Students will be required to provide their own dulcimer and lesson book for the class. Contact instructor for details. \*COVID-19 Note: Class will take place in a large room with participants spaced 6 feet apart. Each class is limited to no more than 10 participants and each participant will be required to wear a mask. **FREE to the public.**

#### **Seated Zumba Gold on Zoom**

Zumba movements are designed to mimic many typical Latin dance styles like salsa, rumba, and cumbia. Although traditionally many of these dances require use of your entire body, they can easily be adapted for people with mobility challenges. Many movements can be done with the upper body from a seated position in a wheelchair. Because so many different styles of music are usually incorporated into typical Zumba classes, participants join into the motions they feel most comfortable with. This class is a great way to strengthen the upper body as well as the lower extremities such as ankles and feet (if

able). Participate from your own wheelchair or from a regular chair. This class will take place on Zoom every Thursday at 10 a.m. You must have video capability to view the class. **FREE to the public.**

## **Golf**

Indian Pines Golf Course, located at 900 Country Club Drive, is an 18-hole public golf course located in Auburn and adjacent Opelika. In 2005, the course was cited by *Golf Digest* in their rating of Auburn as the "best golf city in America". It is a par 70 course with summer bermuda grass and a bentgrass/ryegrass mix in the winter. Indian Pines was originally constructed in 1946 as the Saughatchee County Club, a nine-hole course, with the first tournament being held on July 4, 1947. The back nine holes, designed by Eddie Loos, were built in 1951. In 1976, the course was sold to the cities of Auburn and Opelika, which have operated it as a municipal course since. The course was redesigned in 1999. After fire destroyed the old clubhouse, a new clubhouse was constructed in 2006. ## Pickleball

This recreation craze has an estimated 3 million players nationally and has become the fastest growing sport in the US according to the USA Pickleball Association. It borrows from tennis, ping pong and badminton. It is easy to learn and with less ground to cover on a smaller court and is not hard on the joints. Pickleball is a great alternative to tennis as adults get older or for anyone nursing overuse injuries from other sports. In addition to simply being fun, the moderate exercise and social nature of the game keep participants coming back week after week. The games in Auburn are played on the six Samford Avenue tennis courts (lined for pickle ball). There are also two courts at the Frank Brown Recreation Center. E-mail [oapbnow@gmail.com](mailto:oapbnow@gmail.com) **\*COVID-19 note:** Physical distancing of 6 feet is to be maintained when not participating directly in pickleball. The bathrooms at the tennis centers are open and will be cleaned frequently. **FREE to the Public**

### **AACT Auditions for A Christmas Carol**

Announcing open auditions for AACT's Christmas production. No experience necessary! Actors of any race are invited to audition for "A Christmas Carol." This play-within-a-play requires up to 6 men, 5 women (ages 16 and up) to portray the actors of a 1940's radio station, who will bring to life all the characters in a live radio performance of Dicken's "A Christmas Carol." The holiday classic as a live 1940s radio broadcast, is complete with vintage commercials, sound effects, and musical underscoring. The live sound effects will be performed manually by Foley (sound effects artists) creating the bells, doors, ghostly chains, and thunder effects. Any production volunteers are welcome to come to auditions! Auburn ACT is committed to the safety of our AACT family, patrons, and community.

**COVID – 19 Note:** All recommended protocols will be followed at the time of auditions and performances.
